South Palm Beach Melton Alumni Association Membership Form

B'nai Torah Congregation is proud to be home to The Florence Melton School of Adult Jewish Learning South Palm Beach County. The school is a unique opportunity to learn Jewish texts, values, and foundational traditions in a pluralistic and intellectually stimulating environment.

The South Palm Beach Melton Alumni Association is committed to sustaining the local branch of the Florence Melton School of Adult Jewish Learning. We have and will continue to achieve this through fundraising, peer-to-peer promotion, and your continued support.

There are many benefits to becoming an Alumni Association Member; the first is consciously and monetarily supporting the Melton School of Adult Jewish Learning in South Palm Beach County. It is through this support that the program is thriving today! Every February, we open our new association year with a complimentary alumni brunch and guest speaker. Alumni Association members can register early for all classes in the upcoming year, and will receive invitations to special engagement programs. Please join today - your support makes a difference!
