How do I create a new Endowment Fund in the B'nai Torah Foundation?

Endowment Funds can be created two ways. First, an Endowment Fund can be established with a gift of \$50,000. The second way is to promise by will, insurance policy or other bequest to donate at least \$50,000 to fund the named Endowment and promise to pay to B'nai Torah five percent (5%) of the promised Endowment amount on or before the first of July of each fiscal year to fund a specific program line or scholarship program of the Synagogue.
