HAPPENINGS AT B'NAI TORAH

SHAVUOT TORAH STUDY - SATURDAY, JUNE 8, following Mincha/Ma'ariv (8:00 p.m.) The sensitive and important topic of abortion is back in the news with many states passing laws to restrict women's access to this procedure. We will explore the basic contents of some of these proposed laws, and then study and discuss sources from the Bible, Talmud, and

contemporary Jewish legal literature toward gaining a better understanding of how Jewish communities have approached the matter, as well as learning our own Conservative Movement's carefully considered and nuanced position. Join our rabbis for what will be a timely and meaningful Shavuot study session, which will be followed by a dairy dessert reception.
